

## Annex A – Survey Questionnaire

The following survey was sent out to Redgrave residents during August 2022:

### **Redgrave Parish Council**

#### **Survey of Need for a New Recreation Ground/Children's Playground**

We would be grateful if you would complete the following survey to enable us to work out the demand for children's playground facilities in the village. This is required for us to secure funding for our new facility. We would therefore be grateful if you would complete this as quickly as possible so that we can get a new recreation ground/children's playground up and running for Redgrave parishioners and their children and visiting grandchildren.

You can complete this in a number of ways:

- Fill the form in and return it to the village community shop
- Complete it on this written form and hand it to the folks who are distributing the survey
- Go online here at Survey Monkey (add the web line here)
- Scan the QR code below using your smart phone and complete the survey online

*(space for QR Code)*

We ask for your address below so that we can ensure we do not get multiple responses via the different return mechanisms above. The address will not be stored to maintain privacy.

Andrew Warnes  
Chairman  
Redgrave Paris Council

Questionnaire

Q1 What age groups in your family used the old Recreation Ground? (please select all that apply)

Age      Numbers of that age
