**REPORT TO REDGRAVE PARISH COUNCIL**

**MAINTENANCE of the CHURCHYARD at ST MARY'S, REDGRAVE**

Many people have visited this Churchyard over the year and most say that they appreciate the good standard to which the Churchyard is kept. The work in 2021 was performed by a Contractor and a few volunteers. The Contractor was employed on grass cutting.

The cost of the work for 2021 was £495.50. In 2020 it was £747 and in 2019 it was £1540.

The variability of the costs is driven by the ups and downs of the seasons and also the need to undertake tree work. It is expected that there will be tree work in 2022.

The Parochial Church Council is appreciative of the annual grant to the maintenance of the Churchyard.
