

CHAIRMAN'S REPORT 2018

Another year gone and still plenty of contentious issues for us to contend with. We had just the one change in councillors this year as David Snashfold moved out from the village and was replaced by Angela Bigley. Planning concerns still dominate most parish meetings, one has been rejected and one is still ongoing and another looks likely in the near future. We should all take an active role in these if we are to hopefully manage the growth of our village. We have had a fantastic response since last year to the purchase and work at The Cross Keys and our thanks go to all the people who helped in the purchase and refurbishment of this venture and to the staff and volunteers there who are making this into a pub we can all be proud of. Another year of parish business awaits us all.
