

REDGRAVE SHOP REPORT 2018

Last November, the shop celebrated its 10th birthday and one lucky customer won our birthday raffle – a hamper of local produce. Financially the community shop continues to do well and any profit that the shop makes is put back into the business.

Although there is still the potential for the shop to be sold, our current lease runs until July 2019 so it's still business as usual.

Local food features prominently on our shelves, and we are always looking for new lines. Any requests or suggestions are always welcome and we will do our best to accommodate them – given our limited space.

As always, I would like to acknowledge the dedication of all the volunteers (we've had several new faces over the last year), both those who serve at the counter and those who work in the background. Although it is hard work running a community shop, it is pleasing to see an increase in the number of customers and we thank everyone involved whether volunteer or customer for all your support, thus ensuring the success of our community shop.
