7. Ongoing Items:
 - 7.1 Neighbourhood Plan: The revised version of the Redgrave Neighbourhood Plan was submitted to Mid Suffolk District Council on 11th May 2021. There would now be a period of public consultation to allow for comments on the revised plan to be made, starting on 26th May and finishing on 16th July 2021. The consultation was being run by Mid Suffolk District Council and all of the details including how to comment on the revised Plan were available on their website. Once the consultation period was over, the Neighbourhood Plan would be subject to an Independent Examination which would take place over the summer. Updates could be found on both the Mid Suffolk and Redgrave Neighbourhood Plan websites.
 - 7.2 Redgrave Amenities Trust: The Parish Council had been assured by the Redgrave Amenities Trust that it had the lease negotiations with the Llanover Estate in hand. However, the PC was committed to ensuring that the facilities on the site remained available to the community and would reiterate its offer to help in any way it could with the negotiations. It was suggested that a meeting between the RAT, the PC, the Neighbourhood Plan group and the Llanover Estate might be beneficial, and this would be suggested.
 - 7.3 County Broadband: It was understood that 16 more pre-orders were needed to ensure installation would go ahead.
 - 7.4 Traffic Regulation Order: There had been an initial reply from Suffolk County Council to the request for a 30mph zone extension on Hinderclay Road and further information had been submitted. The reply had referenced a Community Strategy to tackle speeding and the Clerk would forward the SCC website link to councillors.
