Sometimes gathering on fields of stubble post-harvest. 20

					Lopham Fen. Also Redgrave Park and Lake and surrounding fields					spotted on Redgrave Lake on 6 Dec 23 and 2 seen flying overhead Redgrave by Andrew Goodall on 3 Feb 24. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.
7	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Anas crecca</i>	Teal	Redgrave & Lopham Fen and Redgrave Lake	Common	Amber List	Not Listed	Not Listed	Ten seen in the R&L Fen on 26 Dec 23 and 20 spotted on R&L Fen on 6 Mar 24. Mainly a winter visitor. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.
8	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Anas platyrhynchos</i>	Mallard	Village pond & Redgrave & Lopham Fen and Redgrave Lake	Common	Amber List	Not Listed	Not Listed	Seen regularly in and around the village. 70 spotted on Redgrave Lake on 23 Dec 23 and 4 more on 29 Sep 24. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.
9	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Anser albifrons</i>	White-fronted Geese	Wetlands and fields nearby water around the village	Rare winter visitor	Red List	Listed	Not Listed	About 6 seen by Christine Grey-Wilson in mid-Dec 25 on the farmlands towards Hinderclay. Winter Visitor. Classified in the UK as Red

										under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981. Priority Species under the UK Post-2010 Biodiversity Framework.
10	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Aythya ferina</i>	Pochard	Redgrave Lake	Common	<b>Red List</b>	<b>Not Listed</b>	<b>Not Listed</b>	Two seen at Redgrave Park Lake by Andrew Goodall on 21 Jan 24. Two more seen there by David Tomlinson on 3 Nov 25. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981. Listed as Vulnerable on the global IUCN Red List of Threatened Species.
11	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Aythya fuligula</i>	Tufted Duck	Redgrave Lake. Also recorded on its website as being present at the Redgrave & Lopham Fen	Fairly common	<b>Green List</b>	<b>Not Listed</b>	<b>Not Listed</b>	10 spotted on Redgrave Lake on 23 Dec 23 and 20 on 6 Dec 23; 2 more there on 29 Sep 24 and another 20 spotted by David Tomlinson on Redgrave Lake on 26 Jan 25; 6 more seen there by him on 3 Nov 25. Classified in the UK as Green under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.

12	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Aythya marila</i>	Scaup	Redgrave Lake	Rare	<b>Red List</b>	<b>Listed</b>	<b>Not Listed</b>	Only one known record of an individual which remained for several days, winter 2022/23. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021).
13	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Branta canadensis</i>	Canada Goose	Throughout the Parish. Also recorded on its website as being present at the Redgrave & Lopham Fen	Common	<b>Introduced non-native species/ Least Concern (3)</b>	<b>Not Listed</b>	<b>Not Listed</b>	Found on large water bodies throughout the parish. Sometimes gathering on fields of stubble post-harvest. Groups seen flying overhead regularly. 60 spotted on Redgrave Lake on 6 Dec 23 and 40 on 29 Sep 24. Protected in the UK under the Wildlife and Countryside Act, 1981.
14	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Cygnus cygnus</i>	Whooper Swan	Flyover records	Infrequent	<b>Amber List</b>	<b>Not Listed</b>	<b>Not Listed</b>	Very occasionally recorded flying over the parish on migration
15	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Cygnus olor</i>	Mute swan	Redgrave & Lopham Fen and Redgrave Lake	Fairly common	<b>Green List</b>	<b>Not Listed</b>	<b>Not Listed</b>	Found on large water bodies throughout the parish. Large counts of non-breeding birds recorded on Redgrave Lake throughout the year. 31 seen on the lake by Andrew Goodall on 29 Sep 24. Important numbers wintering on Redgrave Lake (50 seen on 9 Dec 23). Classified in the UK as Green under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in

										the UK under the Wildlife and Countryside Act, 1981.
16	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Mareca strepera</i>	Wigeon	Redgrave Lake	Fairly common	Amber List	Not Listed	Not Listed	Winter visitor and passage migrant. Recorded at Redgrave Lake, an ideal location with areas for grazing adjacent to the lake; 50 seen there by Andrew Goodall on 21 Jan 24.
17	Anseriformes	<i>Anatidae</i>	<i>Mareca strepera</i>	Gadwall	Recorded on its website as being present at the Redgrave & Lopham Fen. Also at Redgrave Lake.	Common	Amber List	Not Listed	Not Listed	Common resident and winter visitor. 6 spotted on Redgrave Park Lake on 31 Oct 23 and 21 there on 29 Sep 24; another 6 spotted there by David Tomlinson on 26 Jan 25. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.
18	<i>Anseriformes</i>	<i>Anatidae</i>	<i>Spatula clypeata</i>	Shoveler	Redgrave & Lopham Fen and Redgrave Lake	Fairly common	Amber List	Not Listed	Not Listed	Common winter visitor and passage migrant. Twelve seen at Redgrave Park Lake by Andrew Goodall on 21 Jan 24. Twenty more seen there by David Tomlinson on 3 Nov 25. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.

19	Anseriformes	Anatidae	<i>Tadorna ferruginea</i>	Ruddy Shelduck	In the fields towards Hinderclay	Fairly rare visitor	non-native species/ Least Concern (3)	Not Listed	Not Listed	Occasional vagrant found in the UK. Spotted by Jon Hickle
20	Anseriformes	Anatidae	<i>Tadorna tadorna</i>	Shelduck	Recorded on its website as being present at the Redgrave & Lopham Fen	Fairly common	Amber List	Not Listed	Not Listed	Early returning birds have been recorded in January, with a few pairs breeding most years. Three seen flying over Redgrave by Andrew Goodall on 29 Mar 24. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021).
21	Apodiformes	Apodidae	<i>Apus apus</i>	Swift	Throughout village	Fairly common	Red List	Not Listed	Listed	Aerial displays a much-loved feature of the village. Numbers seem to be diminishing somewhat. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021).
22	Charadriiformes	Charadriidae	<i>Pluvialis apricaria</i>	Golden Plover	Winter visitor on fields between Redgrave and Hinderclay	Infrequent	Green List	Not Listed	Not Listed	Mainly Spring and Autumn passage bird with occasional small flocks found wintering.
23	Charadriiformes	Charadriidae	<i>Vanellus vanellus</i>	Northern Lapwing	Fields separating Redgrave and Hinderclay; other fields. Also recorded on its website as being present at the	Infrequent	Red List	Listed	Listed	No longer so common in Suffolk; their numbers have more than halved in the last 25 years. And only seen occasionally in Redgrave; no breeding seen in the Parish. But numbers seem to be increasing locally. Large group of about 150

					Redgrave & Lopham Fen					seen in the R&L Fen on 17 Jan 24. 4 seen by Andy Warnes on the “black” earth” on the Hinderclay side of the stream on 10 Mar 25; one flew over towards Redgrave. Andrew Goodall then recorded 50 on the Redgrave land near Ladies Bridge on 10 Nov 25. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021). Priority Species under the UK Post-2010 Biodiversity Framework. Listed as Near Threatened on the global IUCN Red List of Threatened Species.
24	<i>Charadriiformes</i>	<i>Haematopodidae</i>	<i>Haematopus ostralegus</i>	Oystercatcher	Redgrave Lake	Infrequent	Amber List			Seen occasionally. One pair spotted and heard flying from Hinderclay towards Redgrave Lake on 12 May 24. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021). Listed as Near Threatened on the global IUCN Red List of Threatened Species.
25	<i>Charadriiformes</i>	<i>Laridae</i>	<i>Chroicocephalus ridibundus</i>	Black-headed Gull	Redgrave and Lopham Fen & Redgrave Lake	Fairly common	Amber List	Not Listed	Not Listed	Large groups frequently gathered in the Fen. Regularly seen following field cultivations. Good numbers on Redgrave Lake in the winter; 6 seen on 9

										Dec 23 and 31 on 29 Sep 24. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021).
26	<i>Charadriiformes</i>	<i>Laridae</i>	<i>Larus argentatus</i>	Herring Gull	Recorded on its website as being present at the Redgrave & Lopham Fen	Not Common	<b>Red List</b>	<b>Listed</b>	<b>Listed</b>	17 spotted by Andrew Goodall at Redgrave Park Lake on 21 Jan 24. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021). Priority Species under the UK Post-2010 Biodiversity Framework.
27	<i>Charadriiformes</i>	<i>Laridae</i>	<i>Larus canus</i>	Common Gull	Arable fields surrounding Redgrave. Also recorded on its website as being present at the Redgrave & Lopham Fen. Redgrave Park	Fairly common	<b>Amber List</b>	<b>Not Listed</b>	<b>Not Listed</b>	Usually seen during winter months on local fields. 1 spotted by Redgrave Park Lake on 15 Nov 23. 35 seen by David Tomlinson on Redgrave Park Lake on 13 Jan 24. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021).
28	<i>Charadriiformes</i>	<i>Laridae</i>	<i>Larus fuscus</i>	Lesser Black-backed Gull	In fields surrounding the village. Also recorded on its website as being present at the Redgrave & Lopham Fen	Not common	<b>Amber List</b>	<b>Not Listed</b>	<b>Not Listed</b>	Two seen flying over Redgrave on 3 Feb 24 by Andrew Goodall. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021).

29	<i>Charadriiformes</i>	<i>Laridae</i>	<i>Larus marinus</i>	Great Black-backed Gull	In fields surrounding the village	Infrequent winter visitor	Amber List	Not Listed	Not Listed	Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021).
30	<i>Charadriiformes</i>	<i>Laridae</i>	<i>Sterna hirundo</i>	Common Tern	Redgrave Lake	Seen on gravelly sites within the Fen	Amber List	Not Listed	Not Listed	Summer visitor. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021).
31	<i>Charadriiformes</i>	<i>Scolopacidae</i>	<i>Numenius arquata</i>	Curlew	Besides the footpath towards Hinderclay near Ladies Bridge	Found in wet grasslands, farmland, heath and moorlands	Red List	Listed	Listed	A pair spotted by Andrew Goodall on 3 Mar 25. One seen by Amanda Huckle flying over Norman's Field on 1 Jul and heard by Jon Huckle shortly thereafter. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021). Priority Species under the UK Post-2010 Biodiversity Framework. Listed as Near Threatened on the global IUCN Red List of Threatened Species.
32	<i>Charadriiformes</i>	<i>Scolopacidae</i>	<i>Scolopax rusticola</i>	Woodcock	Redgrave & Lopham Fen	Infrequent winter visitor. Seen in woodlands and wetlands	Red List	Not Listed	Not Listed	One spotted flying high over the Fen by David Tolinson on 6 Mar 24. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.
33	<i>Ciconiiformes</i>	<i>Ciconiidae</i>	<i>Ciconia ciconia</i>	White Stork		Not Common	Least-Concern (3)	Not Listed	Not Listed	Seen 2 to 3 times on the outskirts of Redgrave; once

											in 2023 by Mrs Grey-Wilson. Classified of Least Concern on the IUCN Red List of Threatened Species (global)
34	<i>Columbiformes</i>	<i>Columbidae</i>	<i>Columba livia</i>	Rock Dove	Recorded on its website as being present at the Redgrave & Lopham Fen	Common	<b>Green List</b>	<b>Not Listed</b>	<b>Not Listed</b>		Classified in the UK as Green under the Birds of Conservation Concern 5: the Red List for Birds (2021).
35	<i>Columbiformes</i>	<i>Columbidae</i>	<i>Columba oenas</i>	Stock Dove	In fields and woods surrounding the Parish. Also recorded on its website as being present at the Redgrave & Lopham Fen	Fairly common	<b>Amber List</b>	<b>Not Listed</b>	<b>Not Listed</b>		Perhaps slightly increasing in numbers. 1 spotted in R&L Fen on 15 Nov 23 and another there on 14 Jun 25. Two seen in Andy Warnes' garden next to the feeder on 22 Apr 26. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021).
36	<i>Columbiformes</i>	<i>Columbidae</i>	<i>Columba palumbus</i>	Woodpigeon	Throughout the Parish	Common	<b>Amber List</b>	<b>Not Listed</b>	<b>Not Listed</b>		10 seen at Redgrave Lake on 23 Dec 23 and 22 in R&L Fen on 15 Nov 23. Spotted in gardens throughout the village on a daily basis. Surprisingly, classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981. Difficult to understand the Amber List status given how many of these

										creatures are present in large numbers.
37	<i>Columbiformes</i>	<i>Columbidae</i>	<i>Streptopelia decaocto</i>	Collared Dove	In the village, gardens and surrounding fields. Also recorded on its website as being present at the Redgrave & Lopham Fen	Fairly common	<b>Green List</b>	<b>Not Listed</b>	<b>Not Listed</b>	Classified in the UK as Green under the Birds of Conservation Concern 5: the Red List for Birds (2021).
38	<i>Columbiformes</i>	<i>Columbidae</i>	<i>Streptopelia turtur</i>	Turtle Dove	In the village, gardens and surrounding fields. Also recorded on its website as being present at the Redgrave & Lopham Fen	Rare	<b>Red List</b>	<b>Listed</b>	<b>Listed</b>	Sightings in single figures in Redgrave over the past few years. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021). Priority Species under the UK Post-2010 Biodiversity Framework. Listed as Vulnerable on the global IUCN Red List of Threatened Species.
39	<i>Coraciiformes</i>	<i>Alcedinidae</i>	<i>Alcedo atthis</i>	Kingfisher	Along the stream between Redgrave and Hinderclay and junction of West Herne Lane / Hinderclay Road. recorded on its website as being present at the	Not common	<b>Green List</b>	<b>Not Listed</b>	<b>Not Listed</b>	An attraction for local villagers. Classified in the UK as Green under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.

					Redgrave & Lopham Fen					
40	<i>Cuculiformes</i>	<i>Cuculidae</i>	<i>Cuculus canorus</i>	Common Cuckoo	Redgrave & Lopham Fen, Butts Plantation and in the village	Fairly common	<b>Red List</b>	<b>Listed</b>	<b>Listed</b>	Heard regularly around the wooded areas of the parish. One spotted on R&L Fen on 30 Apr 23. Three heard on a bird walk on 11 May 24. First one heard in 2026 on 22 Apr by the Butts. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021). Priority Species under the UK Post-2010 Biodiversity Framework. Listed as Vulnerable on the global IUCN Red List of Threatened Species.
41	<i>Falconiformes</i>	<i>Falconidae</i>	<i>Falco subbuteo</i>	Hobby	Mainly in Redgrave & Lopham Fen but also in surrounding areas of the village	Not common	<b>Green List</b>	<b>Not Listed</b>	<b>Not Listed</b>	Summer visitor. 10 seen on R&L Fen on 30 Apr 23 and a pair spotted by Jon Huckle near stream between Botesdale and Lizzie's Lane on 8 Jun 24. Classified in the UK as Green under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.
42	<i>Falconiformes</i>	<i>Falconidae</i>	<i>Falco peregrinus</i>	Peregrine	Redgrave & Lopham Fen	Not common	<b>Green List</b>	<b>Not Listed</b>	<b>Not Listed</b>	Spotted on 12 Jan 24 at the R&L Fen. Classified in the UK as Green under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in

										the UK under the Wildlife and Countryside Act, 1981.
43	<i>Falconiformes</i>	<i>Falconidae</i>	<i>Falco tinnunculus</i>	Kestrel	Surrounds of the village. Also recorded on its website as being present at the Redgrave & Lopham Fen	Fairly common	Amber List	Not Listed	Not Listed	Seen regularly hovering above the fields surrounding the village. One seen in R&L Fen on 17 Jan 24 and one seen hovering over the fields leading towards Hinderclay on a regular basis. One kestrel box installed in the Parish in 2023. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021).
44	<i>Galliformes</i>	<i>Phasianidae</i>	<i>Alectoris rufa</i>	Red-legged Partridge	In fields surrounding the village. Also recorded on its website as being present at the Redgrave & Lopham Fen	Common	Introduced non-native species/ Least Concern (3)	Not Listed	Not Listed	Regular releases from shooting groups. 8 seen on 17 Jan 24 in the R&L Fen.
45	<i>Galliformes</i>	<i>Phasianidae</i>	<i>Coturnix coturnix</i>	Quail	In arable land and open grassland surrounding the village	Infrequent	Amber List	Not Listed	Not Listed	Quail heard calling by Jon Huckle on 8 Jun 24 in the flood plain near Lady's Bridge between Redgrave and Hinderclay. Two seen in the fields when entering Redgrave by car on 22 Apr 26. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK

										under the Wildlife and Countryside Act, 1981.
46	<i>Galliformes</i>	<i>Phasianidae</i>	<i>Perdix perdix</i>	Grey Partridge	In fields surrounding the village. Also recorded on its website as being present at the Redgrave & Lopham Fen	Infrequent	<b>Red List</b>	<b>Listed</b>	<b>Listed</b>	Heard on a bird walk on 11 May 24 around the area of the fields between Redgrave and Hinderclay. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021). Priority Species under the UK Post-2010 Biodiversity Framework.
47	<i>Galliformes</i>	<i>Phasianidae</i>	<i>Phasianus colchicus</i>	Pheasant	Seen all around the parish; now increasingly a garden visitor.	Common	<b>Introduced non-native species/ Least Concern (3)</b>	<b>Not Listed</b>	<b>Not Listed</b>	Regular feeder in gardens; breeding and chicks spotted in 2023 and 2024. Reared for shooting on Redgrave Park.
48	<i>Gruiformes</i>	<i>Rallidae</i>	<i>Fulica atra</i>	Coot	Redgrave & Lopham Fen and Redgrave Lake	Fairly common	<b>Green List</b>	<b>Not Listed</b>	<b>Not Listed</b>	250 at Redgrave Lake on 9 Dec 23 and 64 seen there on 29 Sep 24. Tufted duck Classified in the UK as Green under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.
49	<i>Gruiformes</i>	<i>Rallidae</i>	<i>Gallinula chloropus</i>	Moorhen	Village Ponds & Redgrave & Lopham Fen and Redgrave Lake	Common	<b>Amber List</b>	<b>Not Listed</b>	<b>Not Listed</b>	Frequent visitors in good numbers to garden ponds around the village; breeding locally. 3 seen in Redgrave Lake on 9 Dec 23. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK

										under the Wildlife and Countryside Act, 1981.
50	<i>Gruiformes</i>	<i>Rallidae</i>	<i>Grus grus</i>	Common Crane	Redgrave & Lopham Fen	Infrequent	Amber List	Not Listed	Not Listed	Occasional migrant winter visitor to Redgrave and Lopham Fen. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021). Protected in the UK under the Wildlife and Countryside Act, 1981.
51	<i>Gruiformes</i>	<i>Rallidae</i>	<i>Rallus aquaticus</i>	Water Rail	Redgrave & Lopham Fen	Infrequent	Green List	Not Listed	Not Listed	Heard in the R&L Fen on 26 Jan 24 and 3 heard there on 15 Jun 24. Classified in the UK as Green under the Birds of Conservation Concern 5: the Red List for Birds (2021).
52	<i>Passeriformes</i>	<i>Acrocephalidae</i>	<i>Acrocephalus schoenobaenus</i>	Sedge Warbler	Redgrave & Lopham Fen; Butts Plantation	Fairly common	Amber List	Not Listed	Not Listed	Summer visitor breeding on Redgrave and Lopham Fen. Also seen and heard amongst reed bed sites surrounding the village. Two heard in the reeds along the Butts on a bird walk on 11 May 24 and mire heard in the R&L Fen on 14 Jun 25. Classified in the UK as Amber under the Birds of Conservation Concern 5: the Red List for Birds (2021).
53	<i>Passeriformes</i>	<i>Acrocephalidae</i>	<i>Acrocephalus scirpaceus</i>	Reed Warbler	Redgrave & Lopham Fen; Butts Plantation	Fairly common	Green List	Not Listed	Not Listed	Summer visitor breeding on Redgrave and Lopham Fen. Also heard more than seen amongst reed bed sites surrounding the village. Two heard in the reeds

										along the Butts on a bird walk on 11 May 24. Many heard and one seen on a walk in the R&L Fen on 10 May 26. Classified in the UK as Green under the Birds of Conservation Concern 5: the Red List for Birds (2021).
54	<i>Passeriformes</i>	<i>Alaudidae</i>	<i>Alauda arvensis subsp. arvensis/scotica</i>	Skylark	Arable fields to the west and south of the village. Also recorded on its website as being present at the Redgrave & Lopham Fen	Common in the Parish	<b>Red List</b>	<b>Listed</b>	<b>Listed</b>	Plenty of skylarks present throughout the year on the fields towards Hinderclay and Botesdale. Seven spotted on a bird walk on 11 May 24. Healthy breeding population with small numbers wintering. Classified in the UK as Red under the Birds of Conservation Concern 5: the Red List for Birds (2021).
55	<i>Passeriformes</i>	<i>Certhiidae</i>	<i>Certhia familiaris</i>	Treecreeper	Throughout the Parish. Recorded on its website as present at the Redgrave & Lopham Fen	Fairly common	<b>Green List</b>	<b>Not Listed</b>	<b>Not Listed</b>	Seen particularly on large oak trees. One seen and heard in the Butts on a morning walk on 11 May 24; another heard in Andy Warnes' garden on 14 Jun 25. Heard regularly in the Butts during the spring of 2026.
